

The Journal OF THE *House of Representatives*

Number 33

Monday, April 21, 2014

The House was called to order by the Speaker at 2:00 p.m.

Prayer

The following prayer was offered by the Reverend Jake English of Idlewild Baptist Church of Lutz, upon invitation of Rep. Corcoran:

Lord, we thank You for the privilege of freely assembling here today. We are also grateful for the great heritage we have as Americans and the honor we share in making Florida our home. Thank You, Lord, for allowing this House to have a week of rest to be with their families and the opportunity this past weekend to reflect on the message of Easter and the promise that it holds. Lord, I ask You to give strength and stamina to this House these last two weeks. Father, I can only imagine the pressure of being away from home and often balancing time with another occupation can seem, often, too much to bear. May each one in here be reminded that our fulfillment, our strength, our hope, is to be found in nothing else, other than You.

I thank You, Father, for having called each person in here uniquely to represent our state and their district, in a way which will stand as a bulwark of honor, integrity, and conviction, and, in time, compromise. May You remind us, Lord, that You have the authority to execute justice, but You have the desire to show mercy. May You remind us that we have the choice to do what is right and the courage to do what is godly. Make today a great day of progress in this House. Meet the needs of its representatives, whether it be emotional, physical, or spiritual. I pray this in the name of Jesus. Amen.

Special Orders

HM 381 was taken up. On motion by Rep. Metz, the House agreed to substitute SM 476 for HM 381 and read SM 476 the second time by title. Under Rule 5.13, the House memorial was laid on the table.

SM 476—A memorial to the Congress of the United States, applying to Congress to call a convention for the sole purpose of proposing amendments to the Constitution of the United States which impose fiscal restraints on the Federal Government, limit the power and jurisdiction of the Federal Government, and limit the terms of office for federal officials and members of Congress.

WHEREAS, the Founders of the United States of America provided in the Constitution of the United States for a limited Federal Government of express enumerated powers, and

WHEREAS, the Tenth Amendment to the Constitution specifically provides that all powers not delegated to the Federal Government nor prohibited by the Constitution to the states are reserved to the states, respectively, or to the people, and

WHEREAS, for many decades, this balance of power was generally respected and followed by those occupying positions of authority in the Federal Government, and

WHEREAS, as federal power has expanded over the past decades, federal spending has exponentially increased to the extent that it is now decidedly out of balance in relation to actual revenues or when comparing the ratio of accumulated public debt to the nation's gross domestic product, and

WHEREAS, in 2013, the Federal Government's accumulated public debt exceeded \$17 trillion, which is more than double that in 2006, and

WHEREAS, projections of federal deficit spending in the coming decades demonstrate that this power shift and its fiscal impacts are continuing and pose serious threats to the freedom and financial security of the American people and future generations, and

WHEREAS, the Founders of the United States of America provided a procedure in Article V of the Constitution to amend the Constitution on application of two-thirds of the several states, calling a convention for proposing amendments that will be valid to all intents and purposes if ratified by the legislatures of three-fourths of the several states, or by conventions in three-fourths thereof, as one or the other mode of ratification may be proposed by Congress, and

WHEREAS, it is a fundamental duty of state legislatures to support, protect, and defend the liberty of the American people, including generations yet to come, by asserting their solemn duty and responsibility under the Constitution to call for a convention under Article V for proposing amendments to the Constitution to reverse and correct the ominous path that the country is now on and to restrain future expansions and abuses of federal power, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

(1) That the Legislature of the State of Florida does hereby make application to Congress pursuant to Article V of the Constitution of the United States to call an Article V convention for the sole purpose of proposing amendments to the Constitution of the United States which:

- (a) Impose fiscal restraints on the Federal Government.
- (b) Limit the power and jurisdiction of the Federal Government.
- (c) Limit the terms of office for federal officials and members of Congress.

(2) That these three proposed amendment categories are severable from one another and may be counted individually toward the required two-thirds number of applications made by the state legislatures for the calling of an Article V convention.

(3) That this memorial is revoked and withdrawn, nullified, and superseded to the same effect as if it had never been passed, and retroactive to the date of passage, if it is used for the purpose of calling a convention or used in support of conducting a convention to amend the Constitution of the United States for any purpose other than imposing fiscal restraints on the Federal Government, limiting the power and jurisdiction of the Federal Government, or limiting the terms of office for federal officials and members of Congress.

(4) That this application constitutes a continuing application in accordance with Article V of the Constitution of the United States until the legislatures of at least two-thirds of the several states have made applications on one or more of the three proposed amendment categories listed above.

BE IT FURTHER RESOLVED that copies of this memorial be dispatched to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the Florida delegation to the United States Congress.

—was read a second time by title. On motion by Rep. Metz, the memorial was adopted and, under Rule 11.7(i), immediately certified to the Senate.

HM 625 was taken up. On motion by Rep. Wood, the House agreed to substitute SM 658 for HM 625 and read SM 658 the second time by title. Under Rule 5.13, the House bill was laid on the table.

SM 658—A memorial to the Congress of the United States, applying to Congress to call a convention for the sole purpose of proposing an amendment to the Constitution of the United States which requires a balanced federal budget.

WHEREAS, the Legislature of the State of Florida passed Senate Concurrent Resolution 10 on April 21, 2010, and

WHEREAS, Senate Concurrent Resolution 10 made application to Congress to call a convention for proposing amendments pursuant to Article V of the Constitution of the United States for two purposes: to achieve and maintain a balanced federal budget and to control the ability of Congress and federal executive agencies to dictate to states requirements for the expenditure of federal funds, and

WHEREAS, the Legislature of the State of Florida desires to conform to the single subject applications from Alabama, Alaska, Arkansas, Colorado, Delaware, Indiana, Iowa, Kansas, Maryland, Michigan, Mississippi, Missouri, Nebraska, Nevada, New Hampshire, New Mexico, North Carolina, Ohio, Pennsylvania, and Texas and limit its application to Congress for the sole purpose of proposing an amendment to the Constitution of the United States to require a balanced federal budget, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

(1) That the Legislature of the State of Florida hereby applies to Congress, under Article V of the Constitution of the United States, to call a convention limited to proposing an amendment to the Constitution requiring that, in the absence of a national emergency, the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year, together with any related and appropriate fiscal restraints.

(2) That this application is to be considered as covering the same subject matter as the presently outstanding balanced budget applications from other states and is to be aggregated with the applications from those states for the purpose of attaining the two-thirds number of states necessary to require the calling of a convention, but may not be aggregated with applications on any other subject calling for a constitutional convention under Article V of the United States Constitution.

(3) That this application constitutes a continuing application in accordance with Article V until the legislatures of at least two-thirds of the states have made applications on the same subject and supersedes all previous applications by this Legislature on the same subject.

BE IT FURTHER RESOLVED that copies of this memorial be dispatched to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the Florida delegation to the United States Congress.

—was read a second time by title. On motion by Rep. Metz, the memorial was adopted and, under Rule 11.7(i), immediately certified to the Senate.

Representative Fullwood offered the following:

(Amendment Bar Code: 772601)

Amendment 5 (with title amendment)—Remove everything after the enacting clause and insert:

Section 1. Paragraph (a) of subsection (3) and paragraph (b) of subsection (6) of section 1002.33, Florida Statutes, are amended to read:

1002.33 Charter schools.—

(3) APPLICATION FOR CHARTER STATUS.—

(a) An application for a new charter school may be made by an individual, teachers, parents, a group of individuals, a municipality, or a legal entity organized under the laws of this state. An application for a charter school may be made by the military installation commander of a military installation, if the commander is a member of the charter school's not-for-profit governing board, the charter school is located on the military installation, and the governing board operates the charter school or contracts with a management company or similar entity to operate the charter school.

(6) APPLICATION PROCESS AND REVIEW.—Charter school applications are subject to the following requirements:

(b) A sponsor shall receive and review all applications for a charter school using an evaluation instrument developed by the Department of Education. A sponsor shall receive and consider charter school applications received on or before August 1 of each calendar year for charter schools to be opened at the beginning of the school district's next school year, or to be opened at a time agreed to by the applicant and the sponsor. A sponsor may not refuse to receive a charter school application submitted before August 1 and may receive an application submitted later than August 1 if it chooses. In order to facilitate greater collaboration in the application process, an applicant may submit a draft charter school application on or before May 1 with an application fee of \$500. If a draft application is timely submitted, the sponsor shall review and provide feedback as to material deficiencies in the application by July 1. The applicant shall then have until August 1 to resubmit a revised and final application. The sponsor may approve the draft application. A sponsor may not charge an applicant for a charter any fee for the processing or consideration of an application, and a sponsor may not base its consideration or approval of a final application upon the promise of future payment of any kind. Before approving or denying any final application, the sponsor shall allow the applicant, upon receipt of written notification, at least 7 calendar days to make technical or nonsubstantive corrections and clarifications, including, but not limited to, corrections of grammatical, typographical, and like errors or missing signatures, if such errors are identified by the sponsor as cause to deny the final application.

1. In order to facilitate an accurate budget projection process, a sponsor shall be held harmless for FTE students who are not included in the FTE projection due to approval of charter school applications after the FTE projection deadline. In a further effort to facilitate an accurate budget projection, within 15 calendar days after receipt of a charter school application, a sponsor shall report to the Department of Education the name of the applicant entity, the proposed charter school location, and its projected FTE.

2. In order to ensure fiscal responsibility, an application for a charter school made by an individual, teachers, parents, a group of individuals, a municipality, a legal entity organized under the laws of this state, or any other third party associated with the management or reporting responsibility of the charter school contract shall include a full accounting of expected assets, a projection of expected sources and amounts of income, including income

derived from projected student enrollments and from community support, ~~and~~ an expense projection that includes full accounting of the costs of operation, including start-up costs, and fees paid to a third party for services and the purpose of such fees.

3.a. A sponsor shall by a majority vote approve or deny an application no later than 60 calendar days after the application is received, unless the sponsor and the applicant mutually agree in writing to temporarily postpone the vote to a specific date, at which time the sponsor shall by a majority vote approve or deny the application. If the sponsor fails to act on the application, an applicant may appeal to the State Board of Education as provided in paragraph (c). If an application is denied, the sponsor shall, within 10 calendar days after such denial, articulate in writing the specific reasons, based upon good cause, supporting its denial of the charter application and shall provide the letter of denial and supporting documentation to the applicant and to the Department of Education.

b. An application submitted by a high-performing charter school identified pursuant to s. 1002.331 may be denied by the sponsor only if the sponsor demonstrates by clear and convincing evidence that:

(I) The application does not materially comply with the requirements in paragraph (a);

(II) The charter school proposed in the application does not materially comply with the requirements in paragraphs (9)(a)-(f);

(III) The proposed charter school's educational program does not substantially replicate that of the applicant or one of the applicant's high-performing charter schools;

(IV) The applicant has made a material misrepresentation or false statement or concealed an essential or material fact during the application process; or

(V) The proposed charter school's educational program and financial management practices do not materially comply with the requirements of this section.

Material noncompliance is a failure to follow requirements or a violation of prohibitions applicable to charter school applications, which failure is quantitatively or qualitatively significant either individually or when aggregated with other noncompliance. An applicant is considered to be replicating a high-performing charter school if the proposed school is substantially similar to at least one of the applicant's high-performing charter schools and the organization or individuals involved in the establishment and operation of the proposed school are significantly involved in the operation of replicated schools.

c. If the sponsor denies an application submitted by a high-performing charter school, the sponsor must, within 10 calendar days after such denial, state in writing the specific reasons, based upon the criteria in sub-subparagraph b., supporting its denial of the application and must provide the letter of denial and supporting documentation to the applicant and to the Department of Education. The applicant may appeal the sponsor's denial of the application directly to the State Board of Education pursuant to sub-subparagraph (c)3.b.

4. For budget projection purposes, the sponsor shall report to the Department of Education the approval or denial of a charter application within 10 calendar days after such approval or denial. In the event of approval, the report to the Department of Education shall include the final projected FTE for the approved charter school.

5. Upon approval of a charter application, the initial startup shall commence with the beginning of the public school calendar for the district in which the charter is granted unless the sponsor allows a waiver of this subparagraph for good cause.

Section 2. This act shall take effect July 1, 2014.

Representative Ahern offered the following:

c. For purposes of compliance with s. 458.347(3), a physician who has completed 24 hours of education and clinical training on nonablative aesthetic skin care services, the curriculum of which has been preapproved by the Board of Medicine, is qualified to supervise a physician assistant performing nonablative aesthetic skin care services pursuant to this subparagraph.

Section 3. Subsection (3), paragraph (e) of subsection (4), and paragraphs (a), (b), and (d) of subsection (7) of section 459.022, Florida Statutes, are amended to read:

459.022 Physician assistants.—

(3) PERFORMANCE OF SUPERVISING PHYSICIAN.—Each physician or group of physicians supervising a licensed physician assistant must be qualified in the medical areas in which the physician assistant is to perform and shall be individually or collectively responsible and liable for the performance and the acts and omissions of the physician assistant. A physician may not supervise more than eight ~~four~~ currently licensed physician assistants at any one time. A physician supervising a physician assistant pursuant to this section may not be required to review and cosign charts or medical records prepared by such physician assistant. Notwithstanding this subsection, a physician may only supervise up to four physician assistants in medical offices other than the physician's primary practice location pursuant to s. 459.025(3)(c).

(4) PERFORMANCE OF PHYSICIAN ASSISTANTS.—

(e) A supervisory physician may delegate to a fully licensed physician assistant the authority to prescribe or dispense any medication used in the supervisory physician's practice unless such medication is listed on the formulary created pursuant to s. 458.347. A fully licensed physician assistant may only prescribe or dispense such medication under the following circumstances:

1. A physician assistant must clearly identify to the patient that she or he is a physician assistant. Furthermore, the physician assistant must inform the patient that the patient has the right to see the physician prior to any prescription being prescribed or dispensed by the physician assistant.

2. The supervisory physician must notify the department of her or his intent to delegate, on a department-approved form, before delegating such authority and notify the department of any change in prescriptive privileges of the physician assistant. Authority to dispense may be delegated only by a supervisory physician who is registered as a dispensing practitioner in compliance with s. 465.0276.

3. The physician assistant must certify to file with the department a signed affidavit ~~certify to file with the department a signed affidavit~~ that she or he has completed a minimum of 10 continuing medical education hours in the specialty practice in which the physician assistant has prescriptive privileges with each licensure renewal application.

4. The department may issue a prescriber number to the physician assistant granting authority for the prescribing of medicinal drugs authorized within this paragraph upon completion of the foregoing requirements. The physician assistant shall not be required to independently register pursuant to s. 465.0276.

5. The prescription may must be written or electronic, but must be in a form that complies with ss. 456.0392(1) and 456.42(1) chapter 499 ~~chapter 499~~ and must contain, in addition to the supervisory physician's name, address, and telephone number, the physician assistant's prescriber number. Unless it is a drug or drug sample dispensed by the physician assistant, the prescription must be filled in a pharmacy permitted under chapter 465, and must be dispensed in that pharmacy by a pharmacist licensed under chapter 465. The appearance of the prescriber number creates a presumption that the physician assistant is authorized to prescribe the medicinal drug and the prescription is valid.

6. The physician assistant must note the prescription or dispensing of medication in the appropriate medical record.

(7) PHYSICIAN ASSISTANT LICENSURE.—

(a) Any person desiring to be licensed as a physician assistant must apply to the department. The department shall issue a license to any person certified by the council as having met the following requirements:

1. Is at least 18 years of age.

2. Has satisfactorily passed a proficiency examination by an acceptable score established by the National Commission on Certification of Physician Assistants. If an applicant does not hold a current certificate issued by the National Commission on Certification of Physician Assistants and has not actively practiced as a physician assistant within the immediately preceding 4 years, the applicant must retake and successfully complete the entry-level examination of the National Commission on Certification of Physician Assistants to be eligible for licensure.

3. Has completed the application form and remitted an application fee not to exceed \$300 as set by the boards. An application for licensure made by a physician assistant must include:

a. A certificate of completion of a physician assistant training program specified in subsection (6).

b. A ~~sworn~~ statement of any prior felony convictions.

c. A ~~sworn~~ statement of any previous revocation or denial of licensure or certification in any state.

~~d. Two letters of recommendation.~~

~~d.e.~~ A copy of course transcripts and a copy of the course description from a physician assistant training program describing course content in pharmacotherapy, if the applicant wishes to apply for prescribing authority. These documents must meet the evidence requirements for prescribing authority.

e. For physician assistants seeking initial licensure on or after January 1, 2015, fingerprints pursuant to s. 456.0135.

(b) The licensure must be renewed biennially. Each renewal must include:

1. A renewal fee not to exceed \$500 as set by the boards.

2. A ~~sworn~~ statement of no felony convictions in the previous 2 years.

(d) Upon employment as a physician assistant, a licensed physician assistant must notify the department in writing within 30 days after such employment and provide or after any subsequent changes in the supervising physician. The notification must include the full name, Florida medical license number, specialty, and address of a designated the supervising physician. Any subsequent change in the designated supervising physician shall be reported to the department within 30 days after the change. Assignment of a designated supervising physician does not preclude a physician assistant from practicing under multiple supervising physicians.

Section 4. Paragraph (c) of subsection (3) of section 459.025, Florida Statutes, is amended to read:

459.025 Formal supervisory relationships, standing orders, and established protocols; notice; standards.—

(3) SUPERVISORY RELATIONSHIPS IN MEDICAL OFFICE SETTINGS.—An osteopathic physician who supervises an advanced registered nurse practitioner or physician assistant at a medical office other than the osteopathic physician's primary practice location, where the advanced registered nurse practitioner or physician assistant is not under the onsite supervision of a supervising osteopathic physician, must comply with the standards set forth in this subsection. For the purpose of this subsection, an osteopathic physician's "primary practice location" means the address reflected on the physician's profile published pursuant to s. 456.041.

(c) An osteopathic physician who supervises an advanced registered nurse practitioner or physician assistant at a medical office other than the osteopathic physician's primary practice location, where the advanced registered nurse practitioner or physician assistant is not under the onsite supervision of a supervising osteopathic physician and the services offered at the office are primarily dermatologic or skin care services, which include aesthetic skin care services other than plastic surgery, must comply with the standards listed in subparagraphs 1.-4. Notwithstanding s. 459.022(4)(e)6., an osteopathic physician supervising a physician assistant pursuant to this paragraph may not be required to review and cosign charts or medical records prepared by such physician assistant.

1. The osteopathic physician shall submit to the Board of Osteopathic Medicine the addresses of all offices where he or she is supervising or has a protocol with an advanced registered nurse practitioner or a physician's assistant which are not the osteopathic physician's primary practice location.

2. The osteopathic physician must be board certified or board eligible in dermatology or plastic surgery as recognized by the Board of Osteopathic Medicine pursuant to s. 459.0152.

3. All such offices that are not the osteopathic physician's primary place of practice must be within 25 miles of the osteopathic physician's primary place of practice or in a county that is contiguous to the county of the osteopathic physician's primary place of practice. However, the distance between any of the offices may not exceed 75 miles.

4. The osteopathic physician may supervise only one office other than the osteopathic physician's primary place of practice except that until July 1, 2011, the osteopathic physician may supervise up to two medical offices other than the osteopathic physician's primary place of practice if the addresses of the offices are submitted to the Board of Osteopathic Medicine before July 1, 2006. Effective July 1, 2011, the osteopathic physician may supervise only one office other than the osteopathic physician's primary place of practice, regardless of when the addresses of the offices were submitted to the Board of Osteopathic Medicine.

5. As used in this subparagraph, the term "nonablative aesthetic skin care services" includes, but is not limited to, services provided using intense pulsed light, lasers, radio frequency, ultrasound, injectables, and fillers.

a. Subparagraph 2. does not apply to offices at which nonablative aesthetic skin care services are performed by a physician assistant under the supervision of a physician if the physician assistant has successfully completed at least:

(I) Forty hours of postlicensure education and clinical training on physiology of the skin, skin conditions, skin disorders, skin diseases, preprocedure and postprocedure skin care, and infection control, or has worked under the supervision of a board-certified dermatologist within the preceding 12 months.

(II) Forty hours of postlicensure education and clinical training on laser and light technologies and skin applications, or has 6 months of clinical experience working under the supervision of a board-certified dermatologist who is authorized to perform nonablative aesthetic skin care services.

(III) Thirty-two hours of postlicensure education and clinical training on injectables and fillers, or has 6 months of clinical experience working under the supervision of a board-certified dermatologist who is authorized to perform nonablative aesthetic skin care services.

At the request of Rep. Hill—

HR 9095—A resolution recognizing the 60th anniversary of the addition of "under God" to the Pledge of Allegiance.

WHEREAS, President Dwight D. Eisenhower became convinced that adding the words "under God" to the Pledge of Allegiance would be the right thing to do after hearing the Reverend George Docherty preach on February 7, 1954, that the phrase "nation under God" was used in the Gettysburg Address and was an appropriate addition to the Pledge of Allegiance because freedom "is defined by a fundamental belief in God," and

WHEREAS, during the week of February 8, 1954, United States Representative Charles Oakman of Michigan and United States Senator Homer Ferguson of Michigan introduced a joint resolution in Congress to amend the Pledge of Allegiance by adding the words "under God" to the text of the pledge, and

WHEREAS, February 8, 1954, had been chosen by Representative Oakman as the date to introduce the resolution in recognition of the five-year anniversary of the imprisonment of Cardinal Jozsef Mindszenty of Hungary, who was imprisoned and tortured by Communists for his sermons claiming a goal of Communism was the eradication of all religion, and

WHEREAS, speeches were delivered in Congress to honor Cardinal Mindszenty and emphasize the threat that Communism posed to the United States, and

WHEREAS, upon introduction of the resolution, Senator Ferguson commented, "I believe this modification of the pledge is important because it highlights one of the real fundamental differences between the free world and the Communist world, namely, belief in God," adding, "Our nation is founded on a fundamental belief in God, and the first and most important reason for the existence of our Government is to protect the God-given rights of our citizens. Spiritual values are every bit as important to the defense and safety of our nation as are military and economic values," and

WHEREAS, the first time that the Pledge of Allegiance of the United States was thus recited was on Flag Day, June 14, 1954, NOW, THEREFORE,

Be It Resolved by the House of Representatives of the State of Florida:

That June 14, 2014, is recognized as the 60th anniversary of the addition of the words "under God" to the Pledge of Allegiance of the United States.
